Arbor Rose: A People's Choice Nominee

TOLONO, IL., Jul. 30- Arbor Rose of Tolono has been nominated for the 2020 People's Choice award under the health and wellness category for being a recognizable business by the general public. The memory care facility was nominated by a friend or family member in the community.

Hosting the event is the *News Gazette*, which was established in 1852. “We kicked off the People's Choice Awards in 2018. This is our third year being able to present such a prestigious award to our local businesses,” said advertising representative Breanna Zimmerman of the *News Gazette* in Decatur, Illinois.

With over 15 nominees in the health and wellness portion of the contest this year, “this is a big deal” said Arbor Rose’s community relations liaison Connie Harrington. “Most of the residents we have in our homes are farm people and we enjoy doing a good service for the community,” added Connie.

The voting ends August 8th, and the winner will be the nominee who gets the most votes.
